Members Present: Jodi Mackay – Chair, Irv Wilke – Vice Chair, Sara Naylor, Jessica Banks, Richard Herr, Amy Mullaney and Shawn Mullaney

Others Present: Matt Wheeler - Public Works Director, Forrest Sanderson – Contracted Planner, Tyler Parker and Kurtis DeShaw – Morrison-Maierle

Public Input: None

General Items:

Approval of Minutes of 5/18/26. Motion made by Irv Wilke. Seconded by Jessica Banks. Passed 7-0

Emergency Call Out Report- Report attached

Primarily water related – large water line break on E 5th – required several hours of overtime

New Business:

Engineering services with Morrison-Maierle

Council workshopping on call engineering resolution on 6/16/26

If approved will develop punch list -

Review City water model which will allow MM to confidently assess and analyze model's capability to serve City (i.e. Love's water line ability to serve more development west on Highway 10)

Task order to allow MM to do subdivision reviews (i.e. Casa Linda and Laurel Industrial)

DEQ risk and resilience report

Next month will discuss pavement maintenance (i.e. E 7th St and storm water to allow W RR project to progress

Future discussion regarding water tank planning and construction

Looking for grants and funding

Requested MM to attend monthly meetings to give updates and info on upcoming task orders

Status of Emergency Moratorium on annexation will be on first cycle in July

Will have more data regarding water capacity / pressure

Committee supports requesting extension of emergency moratorium

Old Business:
